

Social Club report for Annual Parish Meeting

April 15th 2026

During 2025-2026 financial year the Social Club donated:
£4,000 to Worlingworth Community Centre Committee
£250 to the Brain Tumour Trust as part of the Bike Show held in August 2025.

The Social Club completely refurbished the bar, and paid for the painting of the snug, kitchen, foyer, and the cloakrooms, for the total cost of £15,342.00
None of this would have been possible without the unstinting hard work of the Licensee, Bar Manager and bar staff, providing the bar for Friday nights, events and requested bars throughout the year.
Thank you to everybody who in any way has supported us.

In the Quiet Garden, in a lovely sunny spot overlooking the fields, chosen by the family, there is a seat in memory of our late Treasurer, Mrs Val Ariss. Val always wanted the best for the village and for many years worked tirelessly for the Community Centre, faithfully supported by her husband Mick. Thank you Val, for everything.
