

Worlingworth Cricket Club Annual Parish Meeting Report 2026

The 2025 season was very enjoyable even though the Saturday team were relegated again to Division 8 (there are 12 Divisions in the league). The Ladies team played most of their league fixtures on Sundays and enjoyed their first season of softball cricket which resulted in more ladies being keen to play. The Sunday men's team had a disjointed season but with the reorganisation of the Sunday league over the winter are looking forward to a well organised Sunday league season. Some midweek T20 friendlies are also scheduled for 2026.

The club's new chairman Dan Payne and his committee have moved the club forward and we look forward to welcoming new members in 2026 .

We are so grateful to all our sponsors Tuckwells, Ashtons Legal, Muddy Matches and new sponsors Mosaic Spas and Health Clubs full details of all sponsors can be found on our website (www.worlingworthcc.co.uk)

A special thanks to groundsman Bill Muglestone and "assistant" Richard Nesling-- the ground always looks so good thanks to their efforts

The club welcome any new players of any standard and spectators are welcome at anytime at our ground in Bedfield (IP13 7EF).

The Petanque team continues to flourish, and they are now fielding two teams.

Also, the Table Tennis Group who are now using our spacious pavilion are now very much part of the club.

Anyone who is interested in playing cricket or just knowing more about the club please go to our website (www.Worlingworthcc.co.uk) or phone one of the contacts below.
